Ref – Your verbal instruction on 24/7/18 in meeting at SMS Medical College.

Sir,

As per the committee verbal instruction on 24/7/18, I was asked to submit the facts of communication with Dr R K Jainav (Head liver transplant) in relation to cadaveric donation done on 21/7/18.

Sir, I was telephonically called up by Dr R K Jainav on 20/7/18 evening asking for DDLT (diseased donor liver transplant) to be done for donation on 20/7/18, "Are we ready or not". I told him that with the lack of the basic required facilities the decision has to be taken by him. If he still feels that it can be done then he may say "yes" to the Principal and we shall follow him.

After this communication there was no further communication from him till 21st noon. On 21/7/18 we were in gastroscopy Operation Theater as per the duty till donor retrieval was completed.

Sir, since the inception of the liver transplant program I have been doing all my duties to the utmost honesty, sincerity, and loyalty to the institution and state. All the duties assigned to me have been done and completed as per the required Job, since the very day of my joining the institute.

Sir, I assure the committee that I will continue to do my duties assigned to me with all sincerity and honesty, as and when required wheater it is in relation to Liver transplant, Gastroscopy or other things required for the institution or state in future also.

Ref : Your verbal instruction on 24/7/18 at SMS Medical College

Respected Sir,

As per your verbal instruction on 24/7/18 at SMS Medical College, I am submitting my statement regarding the circumstances in which the Liver Transplant could not be done on 21-7-18 at SMS Hospital.

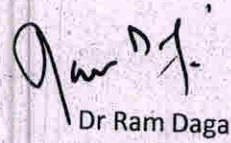

Respected Sir It is to inform you that I am working as Assistant Professor (Surgical Gastroenterology) at Surgical Gastroenterology unit and I am part of Liver Transplant Program in collaboration with ILBS, New Delhi as a trainee.

On the night of 20-7-18 Dr. R.K Jainaw sir telephonically informed me about the possibility of Liver transplant at SMS Hospital, he also conveyed that there is possibility of non-availability of ILBS team for Liver Transplantation on that day. As Dr. Ajay Sharma phone was not reachable so he asked me to lead the Liver Transplant on that day

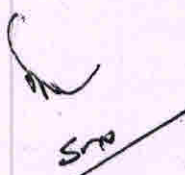

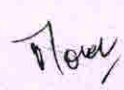

I conveyed to him that at present, as I am not a certified Liver transplant Surgeon, I cannot lead the Liver Transplant as ethically it will be wrong and medico-legally it will be a criminal offence. I also conveyed to him that I am available in my full capacity for my duty for Liver Transplant and will follow whatever instructions he gives to me.

I will also like to inform you that I was available in the Gastro-surgery Operation Theatre till the organ retrieval surgery was performed by Mahatma Gandhi Hospital team and SMS Urology team on 21-7-18.

Sir since the beginning of Liver Transplant program, I have been doing all the work related to Liver transplant allocated to me sincerely. Sir I will also like to assure you that I will continue to do any work assigned to me by Liver transplant team head, sincerely in future as well.

Sub - Regarding Liver transplant case

Sir,

On 19 July, I received a message by our transplant coordinator Mr. Ram Prasad meena at 3.03 PM (Forwarded from Dr. Jitendra Hingorja) I had asked Mr. Ram Prasad to contact the patient in waiting list of B+ve blood group. He intimated me at 8.43 PM that all four patients in waiting list are ready to come.

At 8.47 PM on 19th July I had put the message of B+ve donor in SMS Hospital 1st approval done.

The same message had been given to Dr. Pamecha & Dr. Senthil on their numbers with the latest report (investigation) of donor.

On Friday at 6.34 PM.

I had tried to contact Dr. Pamecha but he was busy with some surgery. I had dropped the message to contact me. Then I contacted Dr. Senthil about donor available & told him about not able to talk to Dr. Pamecha

SMW
TH
SMW

7.19 PM I got message from Dr Senturk
out his concern about post op care in
SMS Hospital & decision will be taken by
Dr Pamecha only. so he asked me to
contact Dr Pamecha.

Then I contacted Dr Vinay Tomar
regarding this facts. Dr Tomar contacted
Dr Pamecha & he showed inability to come
for liver transplant at SMS. Then I had
contacted Dr U.S. Agarwal Sir, for his opinion
than he told me that we have to ask our
hepatosurgery team Dr Ajay sharma & Dr Ram Daga
to do liver transplant case.

When I had tried to contact Dr Ajay sharma
his phone was switch off, the same
message was given to me by P&C sir. so
then I had contacted Dr Ram Daga. he
asked me to contact Dr Ajay sharma.
to have a talk & plan the surgery.

After 15-20 wts of wait I was able to
contact Dr Ajay sharma & I communicate
him about message I got from PAC sir
to plan for liver transplant to bidone,

He flatly told me that you are in charge
this programme & it is your call to do
or not to do. Then I asked him to
communicate with P&C sir for further
instructions.

After this happening I had a talk
with Dr. Manish Sharma (Modal officer of RNOS)
what to do now (at 9.54 PM) After taking
his opinion. I had given a mail
to RNOS about not utilising the liver &
organ to be given to RNOS for further allocation.
(mail to RNOS on 20th July at 10.01 PM)
I had given the mail to RNOS to have
allocation timely so organ do not get waste

Thanks.

Yours Sincerely

Sub Regarding liver transplant.

Sir regarding liver transplant case is continued

of previous reply I want to stat that after telephonic conversation with P&C sir on 20/7/18 He told me that he had conversation with Prof. Dr Sareen of ILBS & he asked me to have conversation with Dr Ajay sharma. ~~to~~ speak to P&C sir as Dr Sareen told that Dr Ajay & Gastro team should take responsibility of liver transplan recipient than only they send their team, But after my conversation with Dr Ajay sharma. in spite of my asking to contact principal sir. he hadn't contacted principal sir, he had accepted these facts in front of Secretary medical education as w

Regarding preparation of recipient I got all routine investigation of both recipient done & I informed Dr Reema Meena prof Anaesthesia, Mr. Muralidhar Incharge of Liver transplant ICU, Daya sir of Liver transplant OT. to prepare OT & ICU for live

implant case to be done on 21st July:

As far as preparation of team of General Surgery we were ready with all manpower & other things. So in this matter we have not done any negligence on our part.

Thanks
